Did you read the book yet? I am halfway through. I think you would like these women and I'd love it if you could come.

Hi All,

We are two weeks away from our meet up at Market Bar at 3 pm on 6/14. I will make reservations later today. If you haven't already, please let me know if you plan on coming. I have 5 confirmed so far. Again, please feel free to invite those that you think would be interested.

Also, I'm toying with the idea of sending out questions to the group prior to our meeting, so we can have a somewhat focused discussion. Please let me know if you would like to contribute to those questions.

This is a bright spot on my calendar! I am really looking forward to seeing you and participating in what will be a great conversation.

Victoria
