Subject: RE: Our May 30 Meeting - Delay?

AARP would like more time to review the May 29 filings before the meeting. Could we meet the following week, the week of June 1?

OK, given that folks already had 5/30 locked down and that we really don't want a delay of the legislative process, I'd like to suggest that we keep our original conversations moving in parallel. I'm sorry for the confusion.

As I mentioned, the IOUs were looking to get a marked up version this week for us to discuss prior to our 5/30 meet.

Mark/Matthew, is that something we can expect this week?

That is the week of the NASUCA and NEUAC meetings, it does not work for AARP. What about the following week?
