Subject: RE: data access for C&I customers?

Alope,

Thanks for the list of questions. Can you let me know your available times for this Friday afternoon, or Monday and Tuesday of next week? I'll see what I can set up with our folks.

Thanks,

Here are some:

Is 15 min data being collected?

Does the customer have access to 15 min data?

What online tools do customers have?

What data can be released to third parties?

Will probably have more Qs on the call.

Alope

Alope,

Do you have specific questions you'd like answers to? That will help me figure out who to talk to.

Thanks,
