Cc: Dietz, Sidney; Erickson, John "David" Subject: RE: data access for C&I customers?

Here are some:

Is 15 min data being collected?

Does the customer have access to 15 min data?

What online tools do customers have?

What data can be released to third parties?

Will probably have more Qs on the call.

Aloke

Aloke,

Do you have specific questions you'd like answers to? That will help me figure out who to talk to.

Thanks,
