Subject: CPUC Request: Customer records for law enforcement investigation

Arthur ---

I am writing to give you the contact information for our subpoena desk. The number for the law-enforcement persons to call is 415 973-4560, and the fax is 415 973-5531. The officers can send a facsimile of the subpoena or warrant addressed to PG&E Custodian of Records, 77 Beale, SF CA 94105.

Thanks for the question – I would have never otherwise known we had a subpoena desk. If you have any questions, let me know -- 973-5921.

yours,

sid
