Subject: FW: San Rafael CNG Facility Access

Richard

The gate at the San Rafael facility opens at 5:30 am and closes at 5:00 pm M-F.

My colleague Sid has looked at the tariff on this and it references the sale of "excess" CNG, so we don't see this as an obligation to serve issue.

I'm not going to do anything further unless you direct/request otherwise!

Thanks

Laura

Laura,

I had the attached image assembled for your use. Let me know if you need any modifications.
