Hi Marino,

I've just received a meeting request from Panoche. I'll probably talk with them later this month. I wonder if you can provide a short update on if/whether progress has been made on the GHG risk question. I understood you may be headed to arbitration? Hopefully their willingness to negotiate has improved.

Meredith and Erik, my brain is feeling really foggy today, so I'm struggling to recall which of you was handling this topic. My apologies for the redundancy (and memory lapse)!

Best,

Matthew
