Ray, Alok, Ryan,

Great. I'm not sure if I mentioned that the workshop on the 25<sup>th</sup> will be at our climbing school in Livermore. Please let me know if that location works ok. I think it will be a great workshop to attend as it will primarily have attendees from Electric Operations and Greg Kiraly, SVP of Distribution Operations will be one of the facilitators.

Thanks,

Meredith

Meredith:

I have spoken to Alok Kumar and Ryan Yamamoto (both copied on this email), June 25, works best for them to attend PG&E's Safety Leadership training.

Thank you for your time and attention.  
Sincerely,
