Subject: Re: Suspension notice for Advice Letters PG&E 3379-G/4215-E, SCE 2887-E, and
SDG&E 2473-E

All-

It was brought to my attention that the suspension notice for these Advice Letters sent out last week had the incorrect start date for the suspension. Please note that the Advice Letter is suspended for up to 120 days beginning April 30, as indicated on the attached (updated) version of the suspension notice.
