Russ, Tom, Lee,

fyi, I have heard from all the consumer groups, so we can reschedule the meeting as soon as the three utilities respond to the Doodle.

Thanks,

Mark

Hi Everybody,

In order to facilitate rescheduling of our next Utilities & Consumers Working Group meeting, I have created a Doodle Poll with meeting dates for June 3, 4 and 5.

Please cut and paste this link:

to let me know the availability for your organization, and I will get back to everyone with the best time that works for everybody.

Thanks,

**Subject:** Our May 30 Meeting - Delay?

When we last met as a group, we set up a follow-up meeting for May 30 working under the assumption that the Residential Rate OIR proposals were to be filed on May 15.

Since the filing of proposals has been delayed to May 29, does the May 30 date still makes sense? If parties are still working on proposals, we may not have anything to review as I believe the plan was for the IOUs to receive a mark-up in time for us to review it prior to our next joint meeting. Maybe re-schedule to the week of June 10 (e.g. does Tuesday-June 11 work for folks)?
