Ed, Arthur and Damon,

The revised business cases and draft CRADA that will be discussed at the April 11 Board meeting have been posted to the CES-21 web site. You can find them using the following link, going to "read more" and then selecting the CRADA or business cases. <https://ces21.llnl.gov> Next week, we will also post a presentation that we plan to use for the Board meeting.

I look forward to seeing you next week.

Best regards,

Erik
