I'm really getting sick of the constant drumbeat and wanted to try at least a little to shift the dialogue. I am probably the only commissioner that could say something good about Pg&E right now and survive, so I took the opportunity. I worry about our lawyers getting discouraged and quitting, but I also worry about folks like Nick and Jesus who we desperately need to help lead us to a better place. Their morale matters to me too!!

Mike – thanks for the shout-out on the smart pig. It's nice to hear others talk about the smart things we are doing to make the system safer.
