WOMEN'S ENERGY MATTERS
LATE-FILED NOTICE OF EX PARTE COMMUNICATION

Women's Energy Matters (WEM) provides this Notice of Ex Parte Communication in this proceeding, pursuant to Rule 8.4. We request permission for late filing, since we inadvertently missed the 3-day deadline by one day.

WEM requested a meeting with Michael Colvin, advisor to Mark Ferron, which took place on May 28, 2013 in his office at the Commission, and lasted about half an hour. Michael Day of Rockwood Consulting attended the meeting as WEM's representative. Barbara George was previously scheduled to be there also but was unable to attend.

Mr. Day described WEM's proposal, which was contained in WEM's 4-26-13 Comment, for an incentive mechanism based on successful energy efficiency installations that substitute for distribution system upgrades. No handouts were used at the meeting.

Dated: June 3, 2013

Respectfully Submitted,

/s/ Barbara George
