Subject: R.12-06-013 DATE CHANGE June Workshop on Retail Rate Proposals

Dear Parties to R.12-06-013,

After we announced the date of this one-day workshop we received messages from several parties that June 20-21 presents a date conflict. We are considering the original dates of June 20-21, and 24-25, and would like to hear from parties if any of these dates present conflicts. We plan to confirm the final date today or tomorrow. If you already contacted us you do not need to contact us again.

Regarding format, we anticipate organizing the workshop around panels grouped by interest groups: IOUs (3), Consumer (6), Solar/DG (3) and Environmental (3). Each party that submitted a rate design proposal would be allotted approximately 5-10 minutes to present their proposal. The majority of the time would be left for audience questions, answers and discussion. We will circulate a more detailed agenda in the near future.

Thank you for your patience as we finalize the date.

Subject: R.12-06-013 June 20 Workshop on Retail Rate Proposals

Dear Parties to R.12-06-013,

The Energy Division has set June 20, 2013 as the date for a one-day workshop for this proceeding.

R.12-06-013 Residential Rate Structure Workshop on Rate Design Proposals

Date: June 20, 2013

Time: 10 am - 5 pm

Location: 505 Van Ness Ave. San Francisco, CPUC Auditorium

Workshop Overview

15 parties submitted rate design proposals on May 29, 2013, with Opening Comments due on July 1. Prior to that date the Energy Division

will host a one-day workshop designed to provide parties with the opportunity to learn more about the rate design proposals and discuss

how well the proposals achieve Commission objectives. A detailed agenda will be circulated at a later time. The workshop objectives include:

- Detailed presentations on specific rate design elements from proposals
- Opportunity for discussion, questions, and answers
- Enhance parties understanding of the rate design proposals including bill impacts and achievement of the Commission's rate design principles for R.12-06-013

We are developing a proposed agenda and will circulate that next week.

Thank you.
