All –

Considering the rescheduling of the workshop to June 25 and the expectation that proposals and issues discussed at the workshop will need to be factored into comments on the parties' proposals, Vote Solar believes that additional time is needed for the comments, currently due 7/1. Therefore, Vote Solar intends to request an extension of time to file comments to Friday, 7/12.

We have talked about this with SEIA, Sierra Club, TURN and DRA, and they support an extension to 7/12.

Pursuant to Rule 11.6, Vote Solar requests your support for this extension of time. Please let me know as soon as possible so I can contact the ALJ.

Thanks,

Ron Liebert
