Subject: IT, Billing Systems

Hi Brian,

How are you? It's been a while. How's the little one? Mine's getting very chubby and love to talk with "oohs" and "ahhs".

I frequently hear about the challenges PG&E has in changing its billing system or IT systems, from demand response programs to electric vehicle submetering to energy data access. Would it be possible for me to come by and learn more about PG&E billing and IT systems?

Thanks,

Audrey
