Subject: Advance Notice of Mandatory Bidders' meeting at UC San Diego for 2.5 MW/5 MWH solicitation of microgrid-tied energy storage

Please forward this important solicitation announcement to your energy storage colleagues.

On Monday, June 24, 2013, UC San Diego will post a competitive solicitation for a 2.5 MW/5 MWH independent, microgrid-tied Advanced Energy Storage System, under the CPUC Self Generation Incentive Program (SGIP). The solicitations will be posted at [FDC Bid Information](#).

There will be a MANDATORY bidders conference and site walk through on Friday June 28 at 8:30 a.m. on the UCSD campus. The meeting will be held in UCSD's Facilities Management Training Room, Campus Services Complex, Bldg. D. Further information and directions will be posted with the RFP. In person representation by at least one member of your bidding team is required due to the site walk throughs; therefore, there will not be any webinar or conference call participation.

We regret that the bidders' conference conflicts with the CPUC AB 2514 workshop date, but due to significant time constraints, all bids must be received by July 15, 2013.

Regards,

Byron Washom
