I would agree and add it was like flying United Airlines...

It was like being stuck on an airplane with no entertainment, food, water or coffee... Speaking of airplanes, I think you could have flown to Houston in that amount of time.

Looking forward to it. I will hobble in to the restaurant. Sitting in the Business Meeting yesterday nearly killed me.

You are not tagging along. You are the centerpiece ☺. Well, Brian is the only guy and so we'll make him the centerpiece.

Good Morning,

I'm about to start my breakfast and I'm already thinking of lunch. Liza is gonna join us, too. Liza and I are both at the Director's meeting and then the Safety Council meeting which ends right at noon. And so, can you two meet up at Otoro at noon and we'll join you at no later than 12:15.

Brian – can you please order me the Hamachi Carpaccio (sp?) and some sushi (i.e. sake belly and ocean trout as examples ☺).

Audrey – you can talk to Brian about your stuff until Liza and I arrive.

marz
