Rulemaking 10-12-007
Filed December 16, 2010

**MOTION FOR PARTY STATUS OF
XTREME POWER, INC.**

In accordance with the provisions of Rule 1.4 of the Rules of Practice and Procedure of the California Public Utilities Commission (“Commission”), Xtreme Power, Inc. (“Xtreme Power,” or the “Company”) respectfully moves for party status in this proceeding.

I. DESCRIPTION OF XTREME POWER, INC.

Xtreme Power designs, engineers, installs, and monitors integrated energy storage systems for Power Generators, Grid Operators and Commercial & Industrial End Users, among others. Xtreme Power’s technology, coupled with our expert team of engineers and scientists solves even the most complex grid challenges with solutions tailored to be effective and reliable.

The leader in our industry, Xtreme Power is among the few companies with multi-megawatt installations in the field, where we have 77 MW commissioned and counting. Xtreme Power’s technology and operational know-how are enhanced further by our key partnerships with the energy industry’s leading manufacturers, including GE Energy Storage, Samsung SDI, Sumitomo, Posco ICT, and Shenhua.

II. XTREME POWER'S INTEREST IN THIS PROCEEDING.

Xtreme Power has a commercial interest in California's energy storage policy, and as such, requests party status in order to file comments, and possible reply comments to this proceeding. Xtreme Power believes its successful experience in deploying energy storage projects across the U.S., the procedural challenges the Company has faced in doing so, and the Company's ongoing interest in expanding its roster of storage projects in California are directly relevant to this proceeding. Further, Xtreme Power's commercial operations will be affected by any procurement targets determined in this proceeding.

III. NOTICES.

Service of notice, orders, and other communications and correspondence in this proceeding should be directed to Xtreme Power at the address set forth below. Electronic correspondence will suffice:

IV. CONCLUSION.

This motion for party status is filed by Xtreme Power to provide insights from the Company's experience in the storage market. Xtreme Power's participation in this proceeding will not prejudice any party and will not delay the schedule or broaden the scope of the issues in the proceeding. By participating, Xtreme Power seeks to encourage policies that are technically sound, ensure the safety of the grid, and are administratively smooth. For the reasons stated

above, Xtreme Power respectfully moves for a ruling that this motion for party status should be granted.

Respectfully submitted,

/s/
