Subject: appointment for General Hagan to visit PG&E's SF Operations Center

Good morning again!

I reached Gen Hagan, and he asked for a site visit to our local operations center so that he can review our emergency operations procedures.

We should allow 30 minutes to get there (and 30 minutes to get back) and I think it would be good to allow an hour on site, although it may not take that long.

Can you give me a couple times in the next two weeks when that might happen so I can arrange it with the field staff?

Thanks Aaron.

Laura
