> I realize it's very last minute. We'd be happy to have you there in any capacity, i.e., to say a few words or be an observer, and for all or part of the session.

>
> The audience for this event includes the local excavators and contractors who work in our service territory. PG&E's Public Awareness and Public Safety team is promoting 811 Call Before You Dig and damage prevention as a shared responsibility. This meeting will be attended by employees of the cities, municipalities, state and government entities in the construction and public works area. PG&E employees in the damage prevention team and gas operations also will attend.
