Seems like the whole PG&E world is off at off-site meetings, BUT I have asked for help via email through the PSEP program manager and the Gas Ops HR person. Am hopeful one of them will have a number!

There are 6000 employees in Gas . . . I'm going to guess that the PSEP number will be around 2000. But I could be way off!

Will let you know, of course, when I know.
