Will the meeting be held at the same location in San Ramon at 9am?

Thank you,

I was trying to send an outlook calendar invitation. Maybe your system couldn't accept that? At any rate, yes, it was just to confirm.

Thanks Paul.

Hi Laura,

I received this message, but it looks to be incomplete. Was this a meeting confirmation for July 8th?  
I just wanted to give you a heads up.

Thank you,  
Paul Penney
