Subject: RE: CFEE Energy conf call, Fri, June 14, 9 a.m. _ dial-in info

For our call this morning, I've attached Pat's hold the date memo, and Assembly Bill 327. At the steering committee meeting in Napa, the group indicated a fall workshop on rate design may be timely. We need your help figuring out what sort of prep should be done prior to the conference and what each session should cover.

Thanks [Reda]
