Subject: **Special Accommodations - Evacuation**

Good morning CPUC Staff,

In keeping the employees of this building safe and secure, the CPUC Emergency Team would like to ask you to help us help you.

The CPUC Emergency Team makes every effort to ensure a safe environment in an emergency situation. Prior to any emergency situation however, we would like to be aware of any potential need for special accommodations. This is where you can help.

If you would like to self-identify as someone who needs special assistance or some other reasonable accommodations, please reply to this email, letting me know your work area. I will assign a member of the CPUC Emergency Team specifically to assist you in the event of an actual emergency or an evacuation drill.

This information will ONLY be used in the event of an actual emergency or evacuation drill and only be shared with CPUC Emergency Team members.

Thanks, Victor

Victor D. Serrato
