I guess we're talking about the general here. But isn't pistol whipping fine-happy dead ends part of his duties? I'd check with Paul about that.

Do I seem terse? Blame the thumb keyboard.

Subject: Policy Prohibiting Weapons in the Workplace

CPUC Staff- Recently, concerns regarding weapons in the workplace were brought to management's attention. The CPUC's policy, which is consistent with the policy of other state agencies, has been posted on our intranet website (<http://intranet:8080/cpucpolicies.aspx>) under Employee Resources sub-heading Policies. Please review and familiarize yourself with the policy and incident reporting procedures.
