I'm on a plane to DC on Monday. But I'm back in the office next Friday and could talk then if that works for you.

Hi Kristin,
Sounds good. I will call you Monday. I had to leave the call for quite awhile so wanted to check in.
Thanks!

Hi there, Marzia mentioned that you were going to call to chat about the utility business model of the future project. I just called you and found out that you are on vacation this week, so call me when you get back and we can talk. Enjoy your vacation!
