Meredith:

Unfortunately, that time does not work for me. I have a meeting on the 26th between 10:00 am and 12:00 pm. I could do earlier 9:00 am to 10:00 am or later (anytime) or the afternoon the day before.

And, yes, I am all set for Sonoma, I spoke with Mr. Brown today and everything is set with him. Just one question, how many meetings have been held and approximate dates? Pete Dominquez, stated it has been a bunch of time over the phone to me once, and I just want to have a better understanding as to the number of meetings that have transpired between the Sonoma folks and PG&E.

Thanks,  
Ray

Ray,

Would 9:30-10:30 on June 26 work for a meeting to discuss private lines? I think that is the date that you mentioned.

Are you all set for Sonoma? Eric Brown from our vegetation management group was planning to reach out to you.

Thanks,  
Meredith
