Doing a final check but I just spoke with the supervisor, Redacted
PG&E is on the scene and should be close to completing repairs– I will let you know when I know for sure. Apparently one customer lost service.

It was a 1” plastic distribution line, hit with a shovel. Fox news is there.

I spoke with Kevin Knapp (he’s the guy you met who is over all gas distribution) and he is tracking down who is knowledgeable about the current situation. Will call you back asap.
