Subject: RE: Kern Power Plant Investigation

Rick,

Just to clarify, in regard to the October 5<sup>th</sup>, 2012 letter to Tom Allen from Valerie Beck,  
Request A:

“That PG&E not resume demolition of the oil tanks, *or begin demolition of the boiler* until  
CPSD has reviewed the RCA report for Kern” (emphasis added),

does the June 7<sup>t</sup>, 2013 letter intend to also grant approval to PG&E to resume demolition of the  
boiler as well?

I have attached both letters for your reference.

Thanks,
