**Subject:** A12 12 002, PG&E'S "Corrected" -- Motion

Attached is the “corrected” Motion of Pacific Gas and Electric Company to Revise Schedule, which was filed on Tuesday, May 28, 2013, with the California Public Utilities Commission in Docket No. A.12-12-002.

Pacific Gas and Electric Company is correcting the “caption” of its Motion with the following two changes:

First, the docket description has been revised to correctly state that the name of this proceeding is “Application of Pacific Gas and Electric Company for 2013 Rate Design Window Proceeding.” Second, the caption has been revised to correct a typographical error, so that it now reads “Motion of Pacific Gas and Electric Company to Revise “Schedule” [instead of “Shedule”] on the title page and the 1<sup>st</sup> page of the pleading. There are no other changes in the pleading.

Sorry for the oversight and any inconvenience this may have caused.
