Subject: Tour of PG&E's Humboldt Bay Power Plant Unit 3

UPDATE: 6/5/13

All,

A couple of updates for the tour on Friday. We will be providing an assortment of bagels and juices in the morning. Please bring cash or check if you plan to partake.

When approaching the Plant on King Salmon Blvd. turn right at the second PG&E driveway, not the first. Park near the guard shack. The Plant is a 10 minute drive from the center of Eureka.

If you have time, I highly recommend a visit to the Clarke Historical Museum. The museum currently has a large exhibit dedicated to Humboldt Bay Power Plant. The exhibit has a lot of great Humboldt Bay Power Plant history as well as the original control room equipment from Humboldt Unit 3 that they've made interactive. The museum address is 240 E St. Eureka, CA 95501. Follow the [link](#) to the museum location on Google Maps.

Except for the part about snacks, the agenda I provided last week (below) is still current.

My cell is [Redacted] if you need to get a hold of me when in Eureka.

Best,

[Redacted]

All,

Below and attached is the agenda and clothing requirements for your tour of Humboldt Bay Power Plant Unit 3 on Friday, June 7. Loren Sharp, Director of Humboldt Bay Power Plant, will lead the tour. Also attending the tour from PG&E are [Redacted]

Redacted

John Hughes (Regulatory Relations) and me. Please let me know if you have any questions about the itinerary. If you plan to attend the tour of Humboldt Bay Generation Station (HBGS), please let me know before Wednesday (6/5) of next week. My cell phone number is Redacted if you need to get a hold of me when in Eureka.

Best,
