Advice No. 4504
(U 904 G)

Public Utilities Commission of the State of California

Subject: New Consolidated Residential General Service Bill and Past Due Payment Notice Form when SoCalGas' Rule No. 09 is Applicable

Southern California Gas Company (SoCalGas) hereby submits for filing with the California Public Utilities Commission (Commission) revisions to its sample forms, applicable throughout its service territory, as shown on Attachment B.

Purpose

The purpose of this filing is to consolidate the residential General Service Bill with the residential Past Due Payment Notice when SoCalGas' Rule No. 09, Discontinuance of Service, Section C, Non-Payment of Bills (Rule No. 09 C.) is applicable.

Background

SoCalGas' Advice No. (AL) 2692, filed on March 31, 1998 and approved on May 22, 1998, included the replacement of the Unpaid Gas Bill (Form 41.4) with the Past Due Payment Notice (Form 41.4E). The revised Past Due Payment Notice (Form 41.4E) included improving the message on the notice by clearly stating the amount of delinquent gas charges that must be paid to avoid termination of gas service.

SoCalGas AL 3276, filed on July 9, 2003 and approved on August 20, 2003, included the replacement of the Past Due Payment Notice (Form 41.4E) with the new revised Past Due Payment Notice (Form 41.6).

In early 2006, SoCalGas initiated an effort to redesign its energy bill format with the intent to comport with a Commission goal found in Decision No. (D.) 05-11-009, which directed the utilities to develop more customer-friendly bill formats that could assist customers in meeting demand response, energy efficiency, and other policy goals. As a result, SoCalGas' AL 3756, filed on June 28, 2007 and approved on July 30, 2007, implemented a redesigned

blue-colored General Service Bill (Form 41-R) for monthly gas statements. At the time AL 3756 was filed, the redesigned Past Due Payment Notice form was unavailable.

AL 4268, filed on August 17, 2011 and approved on September 28, 2011, included replacing the Past Due Payment Notice (Form 41.6) with the redesigned pink-colored Past Due Payment Notice (SCG Form PD1-28) following a more customer-friendly bill format with the intent to comport with a Commission goal found in D.05-11-009. Also, the General Service Bill form number (Form 41-R) is no longer printed on the form; therefore, the form number was deleted.

In December 2012, SoCalGas conducted focus group meetings with residential customers to obtain feedback on redesigned Past Due Payment Notice prototypes. Some of the key findings from the focus group meetings were for SoCalGas to:

- 1) Utilize a pink-colored notice with bolded, important information to generate greater attention;
- 2) Include the statement, "To avoid disconnect," on the notice to draw attention to the past due amount and initiate a reaction;
- 3) Include a focal point on the bill for a customer to quickly review the important information; and
- 4) Eliminate redundant information on the notice.

Currently, for residential customers, the blue-colored General Service Bill form is used to render, on a monthly basis, the regular bill. Per SoCalGas' Rule No. 09 C., a customer's bill for gas service will be considered past due if it is not paid within 19 calendar days after mailing. If a customer's bill is considered past due, SoCalGas may mail to any residential customer a pink-colored Past Due Payment Notice (SCG Form PD1-28), due 15 calendar days after the date of mailing of said notice.

When SoCalGas' Rule No. 09 C. is applicable and the past due amount remains outstanding on the date the next month's General Services Bill is mailed, the following generally occurs, beginning with the mailing of initial General Service Bill:

- 1) The initial General Service Bill is mailed with a due date within 19 calendar days after the date of mailing;
- 2) The Past Due Payment Notice (SCG Form PD1-28) is mailed with a due date of 15 calendar days after the date of mailing, which is beyond the scheduled mailing date of the next General Service Bill; and
- 3) The mailing date of the next General Service Bill is before the due date on the previously mailed Past Due Payment Notice (SCG Form PD1-28).

The customer may potentially have two different General Service Bills and a Past Due Payment Notice (SCG Form PD1-28) with various due dates for various amounts, which may be confusing.

To provide residential customers with a clear, customer-friendly, and consistent bill format for the General Service Bill and Past Due Payment Notice, SoCalGas proposes the following tariff revisions.

Proposed Process and Tariff Revisions

For residential customers, when SoCalGas' Rule No. 09 C. is not applicable, the monthly bill will be rendered using the blue-colored General Service Bill form, which is the current practice and does not require a tariff revision. A sample prototype of the blue-colored General Service Bill form is shown on Attachment C.

For residential customers, when SoCalGas' Rule No. 09 C. is applicable, SoCalGas proposes to revise its tariffs by consolidating the Past Due Payment Notice with the following month's General Service Bill. The consolidated monthly bill will be rendered using the new pink-colored General Service Bill/Past Due Payment Notice form. A sample prototype of the General Service Bill/Past Due Payment Notice form is shown on Attachment D.

SoCalGas' Information Technology has determined that the proposed process will require extensive programming and implementation changes upon approval of the filing; therefore, SoCalGas respectfully requests that the proposed process and tariff revisions be made effective September 23, 2013. This filing will not increase or decrease any rate or charge, conflict with any schedules or rules, or cause the withdrawal of service.

Protest

Anyone may protest this Advice Letter to the California Public Utilities Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. Things You Should Know About Termination of Service

Payment Arrangements - If you cannot pay this bill by the expiration date of this notice, please call us to discuss payment arrangements or to obtain information on the availability of financial assistance. If we do not offer payment arrangements and if you are still unable to pay, you may write to the California Public Utilities Commission, State Office Building, 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102. To contact the California Public Utilities Commission by telephone call 1-800-649-7570 or email: consumer-affairs@cpuc.ca.gov. For the Hearing and Speech Impaired-TTY 1-800-229-6846.

You will not be required to send a deposit with your letter. Please notify your local office if you write to the Commission.

The Commission will report its resolution to you and us in writing within 10 days of receiving your letter. If the above procedure is not followed within the time limit shown, your gas may be turned off for non-payment. If your service is turned off, full payment of the bill plus a reconnection fee will be required before service will be turned on. A deposit may also be required.

Re-establishment of Credit/Deposit - If your bills are not paid within 19 days of mailing, we may require that you establish your credit with us by paying your bill and giving us a deposit equal to twice the amount of your average monthly bill.

When we know that residential tenants are served through a master meter, we will attempt to notify the tenants at least 15 days before the date of turn off. Tenants have the right to become our customers without paying the landlord's past due bills.

Disconnection Policy - If you have moved, and have failed to pay a bill at your old address, we may turn off the gas at your new address for non-payment if that bill is not paid within 19 days of mailing to your new address.

If you have gas service at more than one address, and a bill for service at one address is not paid within 19 days of mailing, we may turn off the gas to all your addresses. We will not turn off gas to a residence for unpaid bills for other classes of service. We will not turn off your gas for non-payment if you establish to our satisfaction that such action would be especially dangerous to the health of an occupant of your home*, or that a permanent resident of your home is elderly (62 or older) or handicapped* and you are unable to pay the amount due but are willing to arrange installment payments satisfactory to us.

* We may ask for certification by a licensed physician, public health nurse or social worker.

Other Policies and Notices

Electronic Check Processing - When you pay your bill by check, you authorize us to electronically process your payment. If your check is processed electronically, your checking account may be debited on the same day we receive the check. Your check will not be returned by your bank, however, the transaction will appear on your bank statement. *If you do not wish to participate in this program, please have your account number ready and call 1-877-272-3303.*

Closing your Gas Service - We require two (2) working days and access to the meter to close your gas service.

Disputed Bills - If you question the amount of your bill, call us so that we can investigate your account. If, after our explanation, you still feel the bill is incorrect, you may request a review by the Public Utilities Commission by sending the bill and a letter explaining your position, along with a deposit of the full amount due, made payable to California Public Utilities Commission, State Office Building, 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102, phone: 800-649-7570, email: consumer-affairs@cpuc.ca.gov. Make the check payable to the Commission. The Commission will investigate the matter and inform both you and us of the results. However, the Commission will not accept deposits when it appears the dispute is over matters such as quality of service, level of rates, pending applications for rate increases, etc., which do not relate directly to the question of the accuracy of the bill.

If you do not make a deposit with the Commission within 15 days after we notify you of your right to do so, we may turn off your gas for non-payment.

For more information, please call the phone number at the top of your bill and request a copy of our pamphlet entitled "For Your Information."

The Gas Company Policies and Notices

Electronic Check Processing - When you pay your bill by check, you authorize us to electronically process your payment. If your check is processed electronically, your checking account may be debited on the same day we receive the check. Your check will not be returned by your bank, however, the transaction will appear on your bank statement. *If you do not wish to participate in this program, please have your account number ready and call 1-877-272-3303.*

Closing your Gas Service - We require two (2) working days and access to the meter to close your gas service.

Information about Deposits

Amount of Deposit - The amount of deposit required to establish or re-establish service credit is twice the estimated average periodic bill.

Return of Deposit/Interest on Deposit - This deposit, together with any interest due, less the amount of any unpaid bills, will normally be returned either on discontinuance of service or after the deposit has been held for twelve (12) consecutive months, during which time continuous gas service has been received and all bills for such service have been paid in accordance with the rules in effect and filed with the Public Utilities Commission of the State of California. No interest will be paid if the service is temporarily or permanently discontinued for non-payment of bills.

Public Utilities Commission Notice - Should you question the amount of this bill, please request an explanation by calling the telephone number at the top of your bill. If you thereafter believe you have been billed incorrectly, the amount of the bill should be deposited with the California Public Utilities Commission, State Office Building, 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102, phone: 800-649-7570, e-mail: consumer-affairs@cpuc.ca.gov, to avoid discontinuance of service. Make remittance payable to the California Public Utilities Commission, and attach the bill and the statement supporting your belief that the bill is not correct. The Commission will review the basis of the billed amount and make disbursement in accordance with its findings. However, the Commission will not accept the deposits when it

appears that the dispute is over matters such as quality of service, level of rates, pending applications for rate increase, etc., which do not relate directly to the question of the accuracy of the bill.

If you do not make such a deposit with the commission within 15 days after The Gas Company notifies you of your right to do so, The Gas Company may discontinue your service for non-payment.

Billing Term Definitions

Baseline - Amount of gas billed at the lowest residential rate.

Billing Factor - Adjusts for differences in elevation, delivery pressure and the heating content of gas.

Climate Zone - Weather zone in which a customer lives. Colder zones receive more baseline allowance.

Customer Charge - Charge to recover costs of gas delivery including reading meters, preparing bills, and processing payments.

Gas Commodity Charge - Cost of gas purchased by The Gas Company on behalf of its customers.

Payment Due Date - Payment due date shown on the front bottom portion of the bill is for current charges only; it does not stop collection activity on an unpaid previous balance.

Public Purpose Surcharge - Charge to fund Public Purpose Programs such as California Alternate Rates for Energy (CARE), Direct Assistance program (DAP), energy efficiency and research and development. CARE customers are excluded from paying the CARE portion of the surcharge.

Rate - Identifies the rate schedule used to calculate your bill. You may review these rate schedules at a local office of The Gas Company or at www.socalgas.com

State Regulatory Fee - A fee used to fund the California Public Utilities Commission. Each customer's fee is determined by the number of therms used.

Therms - Standard unit of measuring heat energy.

Utility Users' Tax - Tax charged by some cities and counties based on the amount of the current monthly gas bill. These cities and counties require The Gas Company to collect this Utilities Users' Tax for them.

Things You Should Know About Termination of Service

Payment Arrangements - If you cannot pay this bill by the expiration date of this notice, please call us to discuss payment arrangements or to obtain information on the availability of financial assistance. If we do not offer payment arrangements and if you are still unable to pay, you may write to the California Public Utilities Commission, State Office Building, 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102. To contact the California Public Utilities Commission by telephone call 1-800-649-7570 or email: consumer-affairs@cpuc.ca.gov. For the Hearing and Speech Impaired-TTY 1-800-229-6846.

You will not be required to send a deposit with your letter. Please notify your local office if you write to the Commission.

The Commission will report its resolution to you and us in writing within 10 days of receiving your letter. If the above procedure is not followed within the time limit shown, your gas may be turned off for non-payment. If your service is turned off, full payment of the bill plus a reconnection fee will be required before service will be turned on. A deposit may also be required.

Re-establishment of Credit/Deposit - If your bills are not paid within 19 days of mailing, we may require that you establish your credit with us by paying your bill and giving us a deposit equal to twice the amount of your average monthly bill.

When we know that residential tenants are served through a master meter, we will attempt to notify the tenants at least 15 days before the date of turn off. Tenants have the right to become our customers without paying the landlord's past due bills.

Disconnection Policy - If you have moved, and have failed to pay a bill at your old address, we may turn off the gas at your new address for non-payment if that bill is not paid within 19 days of mailing to your new address.

If you have gas service at more than one address, and a bill for service at one address is not paid within 19 days of mailing, we may turn off the gas to all your addresses. We will not turn off gas to a residence for unpaid bills for other classes of service. We will not turn off your gas for non-payment if you establish to our satisfaction that such action would be especially dangerous to the health of an occupant of your home*, or that a permanent resident of your home is elderly (62 or older) or handicapped* and you are unable to pay the amount due but are willing to arrange installment payments satisfactory to us.

* We may ask for certification by a licensed physician, public health nurse or social worker.

Other Policies and Notices

Electronic Check Processing - When you pay your bill by check, you authorize us to electronically process your payment. If your check is processed electronically, your checking account may be debited on the same day we receive the check. Your check will not be returned by your bank, however, the transaction will appear on your bank statement. *If you do not wish to participate in this program, please have your account number ready and call 1-877-272-3303.*

Closing your Gas Service - We require two (2) working days and access to the meter to close your gas service.

Disputed Bills - If you question the amount of your bill, call us so that we can investigate your account. If, after our explanation, you still feel the bill is incorrect, you may request a review by the Public Utilities Commission by sending the bill and a letter explaining your position, along with a deposit of the full amount due, made payable to California Public Utilities Commission, State Office Building, 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102, phone: 800-649-7570, email: consumer-affairs@cpuc.ca.gov. Make the check payable to the Commission. The Commission will investigate the matter and inform both you and us of the results. However, the Commission will not accept deposits when it appears the dispute is over matters such as quality of service, level of rates, pending applications for rate increases, etc., which do not relate directly to the question of the accuracy of the bill.

If you do not make a deposit with the Commission within 15 days after we notify you of your right to do so, we may turn off your gas for non-payment.

For more information, please call the phone number at the top of your bill and request a copy of our pamphlet entitled "For Your Information."
