Subject: Bidding DR into the CAISO markets as supply

Nick,

We had a meeting with you on DR in Aaron Johnsons office on April 30 and I know we have been trying get together again on RA and DR, but the dates have not yet lined up.

But we would like to have a call or meeting with you soon, to discuss a request we have received from the CPUC Energy Division in the Rule 24 workshop. The request goes beyond Rule 24, and asks us for our plan and schedule to bid our DR as supply. We'd like to discuss this with you so that we can make sure we are focused on the most productive work for us to advance DR.

When could we do a call or meeting in the very near future?

Thanks,
