**MOTION OF BEAR VALLEY ELECTRIC SERVICE (U 913-E), A DIVISION OF
GOLDEN STATE WATER COMPANY, FOR LEAVE TO FILE CONFIDENTIAL
MATERIAL UNDER SEAL**

Pursuant to Rules 11.1 and 11.4 of the California Public Utilities Commission (“CPUC” or “Commission”) Rules of Practice and Procedure, Bear Valley Electric Service (“BVES”), a division of Golden State Water Company, moves for leave to file its June 28, 2013 Renewables Portfolio Standard (“RPS”) Procurement Plan under seal. In accordance with prior instructions from the Commission Docket Office, the confidential version of BVES’ RPS Procurement Plan is being tendered under seal in hard copy today.

Those portions of BVES’ RPS Procurement Plan identified in Table 1 below are eligible for confidentiality protection pursuant to Decision (“D.”) 06-06-066, D.08-04-023, and the Matrix of Allowed Confidential Treatment for Investor Owned Utility Data (“IOU Matrix”) attached as Appendix 1 to the former decision. The data for which BVES requests confidentiality and thereby protection from public disclosure are of the type and correspond to the category in the IOU Matrix specified below:

TABLE 1: IDENTIFICATION OF CONFIDENTIAL INFORMATION

<i>RPS Procurement Plan Location</i>	<i>Type of Data</i>	<i>Authority / Matrix Category</i>
Table A “RPS Procurement Information Related to Cost Quantification” Row 1 – Actual Direct Expenditures – per year	Price data from renewable contracts for 2012.	VII – Bilateral Contract Terms and Conditions – Electric G) Renewable Resource Contracts under RPS program – Contracts without SEPs: price data is confidential for three years, or until one year following expiration, whichever comes first.

The data for which BVES is claiming confidentiality is not already public. BVES’ customers may be harmed by the loss of confidentiality insofar as members of the public not eligible to review the data as non-market participating parties—primarily other market participants such as other IOUs or wholesale suppliers of RPS supplies—can use this data to derive BVES-specific RPS procurement contract pricing information to the detriment of BVES’ future procurement efforts.

Accordingly, BVES respectfully requests that the above identified portions of its RPS Procurement Plan be treated as confidential material and protected from public disclosure. BVES requests that the data remain under seal until December 31, 2015. BVES also requests a ruling granting leave to file the confidential version of its RPS Procurement Plan under seal.
