Subject: Notice: Statewide WE&T Consultant Contract Public Workshop

All,

Per Decision 12-011-015, the “Decision Approving 2013-14 Energy Efficiency Programs and Budgets,” the Investor Owned Utilities (IOUs) were directed to hire an expert entity to help design a comprehensive approach to the Workforce Education and Training issues (WE&T) inherent in their energy efficiency (EE) portfolios. The IOUs are pleased to announce that the UC Berkeley Donald Vial Center was selected after a formal solicitation review process.

The statewide IOU team invites all interested stakeholders to a public workshop during which the UC Berkeley team will present their work plan, in response to the IOU’s requested scope of work. Questions will also be welcomed.
