Let's start at 2 pm and then see how things go. Any thoughts on whether my listening to the panel would constitute an ex parte? It's a public discussion, but I'm sure Ruane and Hagen will mention their proposals. I'd like to listen to it but not if it creates any issues

Tuesday doesn't work. Monday at 2 is fine or we could sit and chat at 230. Your call

Are you still around Tuesday morning? Say 11 or 11:30? If so, let's book it. If not, Monday is pretty full but something like 2 pm might work. I want to attend the Monday 2:30 pipeline safety session but am pondering the ex parte implications. Maybe you could sit next to me and kibitz for your equal time

Mike - do you have a half hour to have coffee at NARUC ? I'm arriving Sunday afternoon and leave Tuesday for SFO. I'm flexible. Thanks.
