Re: I.12-01-007, I.11-02-016, and I.11-11-009 – PG&E Gas Pipeline Investigations

Dear Judge Wetzell and Judge Yip-Kikugawa:

On June 6, 2013, General Hagan, the Director of the Safety and Enforcement Division, sent a letter to you and the Commission's Process Office. General Hagan's letter informed you and the Process Office that the Safety and Enforcement Division, which for purposes of this case is still identified by its former name, the Consumer Protection and Safety Division ("CPSD"), will be represented by Christopher Clay, Assistant General Counsel.

As indicated by the Commission's press release on June 26, 2013, I will continue to lead the Legal team representing CPSD in these cases. Therefore, please remove Christopher Clay as the attorney of record, and consistent with the press release, please list my name as the attorney of record for CPSD. By copy of this letter, I am informing the Process Office that CPSD will be represented by:

Harvey Y. Morris  
Assistant General Counsel
