Thanks. Hope you enjoy the long weekend and a semi-vacation (with not many others in the office), too.

You are both highly dedicated and conscientious, and it takes a special toll when you are surrounded by challenging issues and people. I really hope you can get a break starting tonight, and do something fun together.

Work, mostly. Sadly. Though it's not having a good impact on the rest of life either. One of those times it's bad to both work at the same place, though useful, too, in terms of understanding.

Ha. Even better. I think I have been through all of the stages of grief. First anger, now just depression. Trying to work through it but not much progress so far...
