Laura,

The risk team under Ken Bruno reports to me (via Mike Robertson).

Raffy deals with transportation. The "utility enforcement" part of his group is Jeanette Lo section that basically deals with non-safety utility enforcement issues (e.g. Bill fraud).

You got our titles right.

Helps?

Liza

We are confusing ourselves with questions like, where does the risk group reside within SED?

You are over the Office of Utility Safety and Reliability, right?

And Raffy is over Utility and Transportation Enforcement?

But then who reports to the two of you?

Thanks

Laura
