Chuck

Sorry for the delayed response. Here's the most recent chart (always changing). I'm copying others on your team who may be interested.

Have a good weekend.

Hi Laura,

Could you possibly send me a current ORG chart for PG&E's gas business unit?

Thanks,

Chuck

Subject: Possible dates to discuss PG&E's Quality & Improvement Program

As we discussed at our meeting Monday, I checked with Sara Peralta, Director of our Quality & Improvement Program, and here are some dates she could be available to come to SF and provide an overview of the work her group is doing:

- Morning of Monday, July 22 and 7/24
- Morning of July 24
- Morning or afternoon July 25 or 26

If any of these times work for you, I suggest we build in 1.5 hours for the discussion.

Laura
