Thanks Laura and Redac I suspect that Energy Division misplaced the HSM reports during the move to our new location.

Richard

Redacted just discovered a copy of a letter transmitting the 2012 HSM report via hand delivery to Ed Randolph on April 2, 2013.

SO, it turns out that it is too big to transmit electronically.

But Ed may have it already.

Meanwhile, we will make copies and get them to you soon.

Redacted will make a pdf of the transmittal letter to Ed and send them later today.

Sorry for the confusion.

Thanks

Laura
