Thanks, Trina.

I've added Matthew Marcus from DRA to the distribution list.

DRA will look at calendars on Monday and get back to you (Linda) with some times that work on our end.

Subject: Rate Reform Group - next steps

Hello Rate Reform Group,

With agreed-upon amendments in to Leg Counsel, we now have the next phase of this legislative process to look forward to. I'd like to propose we get together, next week if possible, to discuss our respective perspectives of what that process will look like and how we can navigate it intelligently. Ideas we have for an agenda for this meeting include: 1) final term sheet review/sign off; 2) possible joint AB 327 support letter; 3) identify necessary outreach and possible talking points for that outreach, including the Governor's office; 4) information sharing about what we're hearing about the bill's prospects and if necessary strategizing how to address. If anyone has others, of course, please add them to the list.

I also suggest including our Sacramento representatives in this discussion at this stage, and have copied the ones I'm aware of on this email with apologies to the consumer groups whose reps I don't know – feel free to include them.

My office is happy to schedule this meeting. Off the top, I suggest Wednesday 7/24 or Friday 7/26 next week. PG&E is willing to host unless someone else would like to. Please let my Assistant, Linda Matsumura (contact info below), know when on Wednesday and/or Friday would work for you for a 90-min meeting or call. If neither works, please suggest an alternate day and time next week. Coordinating your respective organization's responses when responding to Linda would be much appreciated.

Thanks and have a nice weekend,

Trina
