Subject: RE: Rate Reform Group Phase 2

In response to the first item that Mark notes below, we drafted the attached simple support letter that we would envision including the logos for each entity and providing a high level simple one-page support letter that we could share with members. It may be too high level for some but the idea was simple and avoiding a long debate over what exactly was included. It has not been commented on by anyone so it is free game for any suggested changes.

Hi Trina,

Thanks for putting together the call for tomorrow at 2:30.

Based on our quick check in, I do think it is valuable for us to talk to do the following:

- 1) Review a joint statement of support for AB 327.
- 2) Compare notes on what different stakeholders are asking for.
- 3) Discuss strategies for minimizing amendments to the bill.
- 4) Schedule standing time for phone calls for updates.

Seems we ought to be able to do this in 45 minutes or so.

Please feel free to add anything missing to this agenda.

Thanks,

Mark
