Hi,  
No problem. Thanks for the meeting and the discussion.

Marzia,

Really liked you idea on the chart and what our service territory will look like consistent with Debbie's comments. We are following up on both. One of toughest parts of being at PG&E is that at Sempra can get things by going to 3 good people but at PG&E need to check in with 60!

Thanks for your patience with us.

Meredith
