Ray,

I will send you a couple of dates/times.

Also, are you in SF or available for a call on July 29 at 2:00 on the NERC alert? We are briefing Energy Division CEQA staff. I believe Ed is also attending but need to confirm.

Sounds good for Friday.

Thanks,
Meredith

I received your voice mail from last week and am following up. I am trying to find out who on my side will be attending. Could you or somebody else from PG&E send me a couple dates and times that work for PG&E and I will those against the people over at the CPUC?

If you have any questions please call my cell [(213)220-2266] as I am out of the office this week.
Also, Friday's meeting I forwarded the invite to Werner Blumer and Arthur O'Donnell from Energy Division.
Lastly, I received the meeting notice concerning the Metcalf Substation.

See you Friday.
Ray
