Re: 2013 California 33% RPS Compliance Report for Consolidated Edison Solutions, Inc. (D.12-06-038)

Dear Sir or Madam:

On behalf of Consolidated Edison Solutions, Inc. ("CES"), please accept this letter in lieu of the required Annual 33% RPS Compliance Report due on August 1, 2013.

CES is registered as an Electric Service Provider in the State of California (ESP #1382, registered January 17, 2012). CES is still developing its business plans for the California market, currently does not serve retail customers in California, and has no immediate plans to begin serving customers in the near term. As a result CES has not undertaken specific RPS procurement activity and has no RPS obligations to report.

Accordingly, please accept this letter in lieu of the Annual 33% RPS Compliance Report.

Respectfully,

A handwritten signature in black ink that reads 'Paul F. Mapelli'.
