Thank you Mr. [Redacted]

The Comr. will be traveling with William (Bill) Johnston from our office, so you will have just two guests from our office.

Otherwise, thank you for your very informative email.

Sean McLaughlin is coordinating parts of this trip for the Comr. and I just left a voicemail (707.476.2873) asking him to provide information to this office on the number and names of people who will be on this tour.

Thank you,

Ann Christina Rothchild

Hi Ann Christina,

I've confirmed with Loren Sharp and John Hughes that both are able to provide a tour of Humboldt Unit 3 for the Commissioner and her staff from 2-5PM on Tuesday, July 16. Given we only have 3 hours, it will not be possible to tour both Humboldt Unit 3 and HBGS (the newer gas plant). In confirming with Loren, he informed we that the tour of Humboldt Unit 3 would take 2.5 – 3 hours.

Loren Sharp (Director of Decommissioning at Humboldt Bay Power Plant), John Hughes (Director, Regulatory Relations) and I (Regulatory Case Manager, 2012 Nuclear Decommissioning Cost Triennial Proceeding) will host her. The meeting location is the Humboldt Bay Power Plant guard shack which is located at [Redacted] (second driveway on your right), Eureka California. It is a ten minute drive south from the center of Eureka.

You can contact me on my cell [Redacted] or John Hughes on his cell [Redacted]

I will send the itinerary and clothing requirements to you by Friday of next week.

Do you know yet which staff members will be attending? I need a final head count and names one week before the tour.

Best,

[Redacted]

Hello Mr. [Redacted] and Mr. Hughes,

Thank you for proposing the schedule for the Humboldt tours; unfortunately, the Comr.'s schedule was previously booked for the earlier hours of that day.

However, the Comr. would like to meet you at 2:00 p.m. on that day, Tuesday, July 16, to see Humboldt Unit 3. The Comr. expects to be able to stay until 5:00 p.m., so a tour of the Humboldt Bay Generating Station would be great too (thank you for offering this additional tour).

Can someone send me:

- [redacted] the *address* where the Comr. will be meeting her hosts (Loren Sharp (and you?));
- [redacted] the name(s) of the host(s) she will be meeting; and
- [redacted] a contact name and *cell phone* number of one (or more) host(s)

Also, if the commissioner needs other information or other special preparation (e.g. special shoes, reading material), can someone send that information to me too, please.

Thank you.

Thanks, Colette.

Ditas and Ann Christina,

We have reserved time with Loren Sharp, Decommissioning Director of Humboldt Unit 3, for a tour for Commissioner Sandoval and staff on Tuesday, July 16. The tour of Humboldt Unit 3 would last approximately 2 hours between (10 AM to Noon). We can also arrange a tour of Humboldt Bay Generating Station which is directly next door to Humboldt Unit 3. That tour would last approximately 2 hours as well (12:30PM to 2:30PM).

Please let me know when you are ready to confirm or if you have any additional questions.

Best,

[Redacted]
