ALJ Long.

I am at our GRC hearing downstairs. I forwarded your note to Randy Littenker (he is on our Phase 2 as well) and asked him to follow through with your instructions. It is my understanding that we have received it but I have not seen it.

Subject: Scoping Memo

Mr. Hughes:

The scoping memo from Commr. Peevey has been posted to the docket card but I have not seen the e-file notice or the courtesy copy yet. The Commission's computers have been misbehaving badly for a few days now ... if you received a notice please let me know. If you have not, please check that the following link works and please forward it to the service list. Thank you.
