Subject:

Parties to Service List R.12-11-005:

This is a courtesy notice to inform you that an updated version of the 2013 Self-Generation Incentive Program (SGIP) Handbook will be posted to the Program Administrator's websites on September 3, 2013.

This version of the Handbook contains limited clarifying language to address system sizing criteria for wind turbines sized 30 kW and less; minimum annual discharge hours for advanced energy storage (to conform with Appendix A of Commission Resolution E-4519), and; system sizing criteria for customers participating in the recently revised net energy metering fuel cell program.

Please don't hesitate to contact me if you have any questions.

Thank you,

Ehren

Ehren Seybert
